Dear Mr. Marlow:

Further to your facsimile of September 20, 1991, I would like to confirm that the filter of Figure 5 should indeed have a plateau area, as shown in the draft formal drawings you have prepared.

In Figures 2 and 3, I would like you to add references to peaks 30 and channels 34 of flutes 25. Please prepare a set of formal drawings based on the draft formal drawings which you sent to Beverly Monroe, including the additions I have noted, and send them to me at your earliest convenience. Please bear in mind that the statutory period for response to the Notice of Allowance for this case ends on November 27, 1991.

I will be filing an Amendment After Allowance in accordance with 37 C.F.R. § 1.312 to insert reference number 22 on line 27 of page 13, after the word "plateau", for the sake of clarity.

Please contact me if you have any questions.

Sincerely,

Karen G. Horowitz
